Purpose of Competitive Spirit: Competitive Spirit was adopted by the PIAA Board of Directors, effective July 1, 2012, as an opportunity to expand competitive opportunities for girls. All eligibility provisions of the PIAA By-Laws are applicable to student-athletes of competitive spirit squads, with the exception of a PIAA-defined competitive spirit season: The defined regular season will begin with the start of fall sports and conclude at the end of the winter sports championships. The PIAA Defined Season is the period in which schools may participate in competitions. Tryouts, practices after tryouts, attending/receiving summer instruction from an outside source (key to the safety of competitive spirit programs) and practices prior to the start of fall sports *are not* restricted by this Defined Regular Season.

Governance: PIAA Board of Directors has adopted the NFHS Spirit rules book. PIAA, in conjunction with Universal Cheerleaders Association (UCA) and American Association of Cheerleading Coaches and Administrators (AACCA), will develop the format for the PIAA Competitive Spirit Championships. UCA is the founding member of the American Association of Cheerleading Coaches and Administrators, a non-profit educational association for the over 70,000 cheerleading coaches across the United States. Founded in 1988, AACCA is the recognized standard of care for all cheerleading activities. UCA is dedicated to the safe and responsible practice of cheerleading, and all UCA Instructors are AACCA Safety Certified and use the AACCA Safety Manual as a teaching guide and resource. UCA also implements the AACCA safety guidelines at camps and competitions and encourages all coaches to become AACCA Safety-Certified. AACCA certification is available in all 50 states by taking the accredited four-hour course and, upon completion, remains in effect for 4 years. Over 20,000 coaches have been AACCA certified since 2000. At the high school level, AACCA certification is already a requirement to complete the Bronze Level NFHS Spirit Coaches Education Program.

Contest Officials: Competitive spirit judges do not register with PIAA. They are retained by the Tournament organizers under standards set by the Tournament organizers and will utilize NFHS spirit rules. PIAA Competitive Spirit judges will be contracted by UCA. Judges will have extensive training in coaching, choreography, and championship judging. *Judges' decisions are final.*

No Protest Rule: Under PIAA guidelines, there can be no protests of contests as follows: "The Board of Directors and District Committees will not consider any protests in Contests, which are based on play situations or officials' decisions involving interpretation or judgment of plays. In no case will the results of a Contest be reversed nor will a Contest be ordered or permitted to be replayed. Questions regarding interpretation of rules or judgment of officials should be submitted in writing to the Executive Director."

Uniforms/Jewelry: A coach shall not permit a team to participate if, in the judgment of the coach, the participant's hairstyle or fingernails do not conform to NFHS and PIAA rules. It is required that participating member schools dress and equip their Teams pursuant to National Federation of State High School Associations (NFHS) Spirit Rules 2-3.

- 1. Uniforms shall be functional and meet the school's approval. Apparel must also be safe and conducive to safe physical activity. All midribs and torsos must be covered.*
- 2. For safety reasons, sequins/glitter are not allowed on uniforms. In addition to safety consideration, sequins/glitter are not functional or necessary.*
- 3. Glitter that does not readily adhere to the body or face is prohibited. A sign that has glitter that is sealed by laminate or other means is permitted.*

4. Jewelry is prohibited. This includes all jewelry worn on any part of the body. No body piercing jewelry is allowed. Jewelry must be removed, covering with Band-Aids is not sufficient. Leather, string, etc., placed in the holes created by body piercing are not allowed. If religious or medical medals are worn, they shall be taped to the body under the uniform.
