## **District 6 and AA Regional Wrestling Security 2026**

Good Morning. Please see and share with your coaches & fans the security procedures that will be followed at our District and regional wrestling tournaments this year.

Thanks PR

1. All fans will go through metal detectors upon entrance. Please remind them weapons of any kind are prohibited.
2. Fans, coaches, wrestlers, etc are NOT to be on the corners of the mat, or along the sides. Only 2 coaches and the wrestler on deck are to be inside of the roped off corner areas. Coaches will have a different wristband to gain access to this area.
3. Tables around the floor are for media only. Any filming and picture taking must be done from the stands.
4. Fans, coaches and wrestlers must be in the stands unless on deck. No one will be permitted to stand in corners or around the floor.
5. These procedures will be enforced by the AASD police staff.
6. The Altoona Wrestling room will be available for warmup. Please have your teams keep this area clean. This should not be a hang out area. Room may be closed if not taken care of.
